### BE WATER-WISE:

**SAVE WATER - SAVE MONEY.**

**WASTE WATER – WASTE MONEY**

*When you conserve water, you help minimize the ever-present possibility of depleting precious water resources. Nowadays you also save a significant amount of money. With the advent of the North Harris County Regional Water Authority (NHCRA) over which WCID #110 has no control, water rates continue to soar*

### Water Board Meetings

⇒ Every 2nd Wednesday of every month at 5PM

⇒ Every 3rd Thursday of every month at 5PM

All Water Board Meetings are held at the clubhouse Board-room at the times above unless otherwise posted.

All WCID110 residents are welcome to attend the meetings.

### October 2019

Wondering about the construction activity on Seals Gully? Seals Gully is part of the Cypress Creek Watershed (Z100-00-00-X285) which is in the collection of major maintenance projects that will repair various types of channel failures along 5 different project areas within the Cypress Creek Watershed. Portions of the identified channels are considered to be in serious failure and these repairs are necessary to prevent further impact to the channels.

Harris County Flood Control District is currently working to restore channel conveyance capacity to its original design. Seals Gully (project **K124-00-00-X036**) consists of the removal of concrete rubble, excavation and disposal of natural soils, re-grading of existing on-site materials, installation of backslope swales, installation of backslope interceptor structures, installation of riprap, installation and maintenance of SWPP items, beginning approximately 250 linear feet downstream and ending 1,850 linear feet downstream of Cypresswood Drive. Construction has begun and is expected to be completed Fall 2020 depending on weather.

**TRUNK R TREAT: October 26th:** Setup for decorated vehicles starts at 4PM. NO vehicles will be allowed to enter the Park after 4:45PM. Vehicle judging will be conducted between 5PM & 7PM and trophies will be awarded (1st, 2nd 3rd for cars & 1st, 2nd, 3rd for trucks/suv's). Hay rides begin at 5PM, last ride will go at 8:45PM. Random awards will be given out for best costumes!!

**FARMERS MARKET / CRAFTS FAIR:** Forest Oaks Park, November 9th: Vendor set up is 6AM to 7AM. No vendors will be allowed to drive in after 6:45AM. **WE NEED VENDORS!!** Vendor fee is \$25 and must be paid no later than THURSDAY, NOVEMBER 7th at 6PM. Free for residents and guests NOT attending as visitors. Event starts at 7AM & goes through NOON.

**YOU WANTED MORE SHADE!** There is a HUGE new awning at the pool, mounted on the side of the gym. We will move the umbrellas to other areas of the pool. This increases us to more shaded areas around the pool for parents & grandparents who just do not wanna be baked by the sun.

**NEW PARK PARKING LOT:** Coming soon! Construction on additional parking parking lot next to the current park parking lot will start soon. Still waiting on the County to approve some revisions we had to make at Fire Marshal request. This will add additional parking for special events and busy park days and help get more vehicles off the streets. Cameras & lighting will cover the new lot and cameras have been adjusted to cover more of the main Park Parking not now too.
